

The list below is a very tentative outline of our waiting list, it is all dependent upon mother nature, who gets pregnant, how many puppies are born in a litter. This list is written in stone but can be used as a reference guide ONLY!! This helps show you where you are in line ONLY and our best guess of when your new puppy will be born and not a concrete timeline.

### Bernese Mountain Dog

Mir

# in line	Initials	City	State	Gender	Approx Puppy Due Date	# in line	Initials	City	State
